Dear Sir / Madam,

I would like to apply for the vacancy which you have advertised. Please find attached a copy of my CV for your kind review.

I believe I meet all the requirements listed in your advertisement. As **Architect Engineer** graduate, I have great knowledge regarding all aspects of general Architect Engineer. I have good command of all the required software programs, including Word, Excel, PowerPoint, AutoCAD, 3DMax, Photoshop, and Revit.

For your further consideration, I have a bachelor degree in Architect Engineer (major) from AL-Najah National University 2012. I am a hardworking person, have good command of English, detail-oriented, and able to work under pressure.

Thank you very much for your attention. I am looking forward to hear from you soon.

Yours truly,

Majd, Safadi
