### ***Summary***

*With over 18 years of experience as a corporate lawyer, I have developed a strong expertise in arbitration, anticounterfeiting, legal writing, corporate law, civil law, and advocacy. My role involves handling complex litigation cases, drafting and reviewing legal documents, advising on compliance and risk management, and representing clients in mediation, arbitration, litigation proceedings, and organizing and advising on commercial law, banking and all related matters to the corporate. I have a diploma of education in FIDIC construction management and engineering arbitration, and I am a certified arbitrator by the Palestine Ministry of Justice. I also have a diploma of education in detection of forgery and counterfeiting from Harvard Training College in addition to a Bachelor Degree in Law from An Najah National University. I am passionate about upholding the values of justice and fairness, and I seek to deliver impactful legal solutions that meet the needs and expectations of my clients. I am eager to contribute my expertise to an organization that values innovation, excellence, and a genuine commitment to making a difference.*
